

## What to bring on Safari & useful info

- One large kit bag, one with soft sides, is preferable. This is because bags need to be packed into trailers and possibly light aircraft if this is part of your itinerary. If your luggage is in a hard suitcase it will pose packing problems!
- If part of your itinerary incorporates light aircraft transfers then weight is restricted to 20kg.
- Personal Equipment
- Torch with spare batteries
- Hat / cap
- Gloves, warm fleece / jumper more for the winter months (May – Sept)
- Waterproof jacket in summer months (Nov – March)
- Natural coloured clothing. T-shirts, shorts, pair of lightweight long trousers and a lightweight long sleeve shirt. Long sleeves help with sun protection and mosquito protection in the evening.
- Comfortable shoes
- Camera equipment. Binoculars, spare batteries and spare memory cards. There is no opportunity to recharge batteries or download images while on safari.
- Small day pack.
- Personal toiletries (no toiletries are provided)
- Personal medication – A first aid kit will be present throughout the safari but personal medicines must be bought for duration of safari.

### Medical Precautions

- Botswana is considered a malaria area and medication should be taken. Consult your doctor.
- It is compulsory that all safari guests have adequate medical insurance. All guests will be required to fill in indemnity forms and medical insurance details will be noted in the event of an emergency.

### Travel Documentation

- Valid passport – must have at least 6 months validity and at least 6 blank pages.
- Visas – most nationalities can obtain tourism visa at the border/airport on arrival. For up to date visa requirements please check with your local embassy or travel consultant.

### Travel Insurance

- Cover for cancellation and curtailment, medical, baggage and emergency evacuation is compulsory for all our safaris.
- We do not provide travel insurance

### Tipping

- It is not compulsory to tip but highly appreciated. Should you wish to tip it should reflect the level of service you have received throughout your safari.

### Drinks on Safari

- Water 2.5l per person per day
- 1 bottle red wine and 1 bottle white wine for every 2 persons at dinner
- Juice (Cordial) is available along with tea and coffee.
- If you would prefer additional drinks then they must be purchased at your own account before the safari departs.

### Food on Safari

- All meals are cooked on an open fire.
- We can cater for specific dietary requirement but please advise beforehand so we have time to plan appropriately! It is important to advise of any allergies etc.
- Breakfast will comprise of muesli, yogurt, boiled egg, muffins, tea & coffee, rusks, toast and jam.
- Lunch will be a combination of salads and cold meats.
